

BACKGROUND

The aim of the Inspired by Ida program is to advance person-centered hearing care and to encourage hearing care professionals to implement person-centered counseling methods and tools in their practices.

By signing this code of ethics, the signatory expresses his or her commitment to providing person-centered care, and to helping their clients make informed decisions that will allow them to better manage their own hearing health.

PRINCIPLES

By signing this code of ethics, I agree to abide by the following principles:

PRINCIPLE 1

To provide care that respects each person's values, preferences, needs and perspectives.

PRINCIPLE 2

To involve each person in their care process and to share decision-making with them.

PRINCIPLE 3

To involve family members, when appropriate and with permission, in the care process.

PRINCIPLE 4

To help each person better manage their hearing loss and provide emotional support.

PRINCIPLE 5

To tailor information to each person.
