

Module 5 – Section 5  
*Tele-Audiology: A Recipe for Success*

# **TELE-AUDIOLOGY**

INSTRUCTOR'S GUIDE

Time for Unit: Approx. 2-3 hours

1. **Goals**

- Explain the five essential non-audiological factors (the recipe) that need to each be accommodated and understood prior to implementing a tele-audiology service.
- Participants will investigate and explore each of these factors as they apply to their local area and situation, and develop knowledge of their local tele-health environment as a result.
- Complete an investigation guide as a resource to use in the next module or as a stand-alone source of information.

2. **Reading**
